Empowering the chronically hungry to pull themselves out of poverty

Invite You to One Acre Fund Holiday Chianti Tasting

At 312 Chicago

136 N. La Salle St.
Chicago, IL 60602

December 20th 5-7 P.M.

Join us as we taste remarkable Sangiovese from Riecine, one of Tuscany's finest producers with Stefan Keuhne, Riecine's Director of Sales. We will sample a number of vintages and bottlings from the estate's Chianti Classico through their delicious "Super Tuscan" La Gioia. Robert Parker called a recent vintage of La Gioia "a joyous example of Sangiovese at its very best" and Stephen Tanzer cites "impeccable winemaking".

This special event combines the chance to enjoy great food, learn from Stefan Keuhne who helps run one of the very best estates in Chianti and celebrate the incredible success and progress of the One Acre Fund. Take a break from crowds and the stress of the holidays and join us for a truly happy "happy hour".

Wines will be available for purchase from Chicago's newest boutique wine shop, Perman Wines. 15% of all purchases will be donated back to the One Acre Fund. (www.permanwine.com).

Chef Dean Zanella's small plates of antipasti pair beautifully with Riecine's wines. Chef Zanella combines high quality, sustainable ingredients with great service. Who says great food has to be uptight? From cheese selections to cured meats, these appetizers will put the happy in our happy hour.

If \$35 sounds like a great deal for this tasting, that is because it is! Chef Zanella is a longtime friend of ChicaGourmets! and a supporter of farm related charities. This event is possible thanks to his generosity!

There is so much activity going on inside this lively West Loop restaurant and bar...It's a popular lunch and after-work spot for the business crowd. It's a favorite destination for the pre- and post-theater buffs. And now, once a month, 312 Chicago offers a don't-miss wine series. Diners are treated to an explosive menu of flavorful specialties of meat, pasta and seafood dishes, which are paired nicely with a great selection of wines.

One Acre Fund is a 501c3 non-profit organization started in January 2006, with the goal of completely re-thinking how to solve the chronic hunger problem in Africa. We are pioneering a tiny investment package that will enable farm families to grow their own way out of hunger, permanently. \$15 from each ticket will benefit **One Acre Fund**
