

## 2011 Petite Sirah

Upon first glance, there is no doubt this is a Petite Sirah given its telltale deep purple hue! Distinctive notes of delicate lavender come through on the nose. Flavors of ripe raspberry, cocoa, wet stone and even honeysuckle follow on the palate, finishing with very gentle and refined tannins. The 2011 Barra Petite Sirah brings both the varietal character you expect and the delicate, subtle nuances you hope for.
