

## **2011 Pinot Noir - Fiona Hill Vineyard**

### **RUSSIAN RIVER VALLEY - ESTATE BOTTLED**

This meticulously planted, steep hillside vineyard is situated along Westside Road at the entrance of Porter Creek with an ideal southern face. Hard clay top soil with a fractured stone bedrock places continual stress on these Pinot vines, resulting in a very expressive, unique vineyard designate wine. The nose has aromas of wild berries and forest floor, a weighty mid-palate and long silky finish.
